

Dawn Walter

Portland State University

Michael Lindberg Scholarship

I am a second-year Master of Urban and Regional Planning student at Portland State. I am also pursuing a Graduate Certificate in Gerontology. My focus within the planning program is improving mobility for older adults and persons with disabilities.

I am also the transportation intern at the Portland office of WSP, and I serve on the Fixing Our Streets Oversight Committee for the City of Portland.

Before pursuing a career in urban planning, I worked in arts administration at Opera Theatre of Saint Louis.
