Chapter Conferences

The scholarship recipient will be invited to attend either the fall or spring Chapter Conference to not only be recognized for their achievements but to also network with engineers and public works professionals from both the public and private sectors.

The fall conference is generally held in mid- to late October and the spring conference is generally held in early to mid-April. Registration fees will be covered for scholarship recipients by the Chapter and once in-person conferences resume, meals and lodging will also be included. It should be noted that lodging will be limited to one room for women and another room for men with a two-person per room maximum. Students are responsible for their own transportation to and from the conference, however, ride share opportunities may be available with other conference attendees.
